Magical Wizarding Art

### Put A Dent in Mercury Retrograde!

Join Paige Sullivan this Saturday from 10 to 3pm as she brings to the table all the services she offers at this Open House. That's right. **If you missed** the Henna event, or Your Magical Wizarding World, she offers private sessions for these, as well as a \$25 20 minute palm & tarot special. Also, for those that ask, she will give tips on how to reverse the effects of Mercury Retrograde. Mercury is the planet of communication and electronics, and it will be retrograde - which means things will either gum up or slow down - from Aug. 20th to Sept. 12th. All of her offerings will be available, time permitting, here at Star Woman Crystals. Reserved times are preferred, then it's first come first serve. Call 480-423-9512 to set your appointment to put a dent in the effects of Mercury in Retrograde! As always, this is also an Open House so you can drop by for refreshments and check out our wide selection of fascinating items.

## “Learn How to Channel Angels and Spirit Guides” August 29, Sunday, 10-5pm

### *Terra Sonora, Channeler of the Angelic Realm*

Join us for a wonderful workshop with Terra.

She will share her best spirit communication techniques based on 24 years of experience of channeling the angelic and cosmic realms. The morning segment will be dedicated to clearing ourselves, and preparing our body, mind and soul for spirit communication, and aligning our intentions.

We will take a lunch break at 12:30, and since lunch is on your own, bring a bag lunch or visit one of the nearby local eateries. We will spend the afternoon learning about channeling and going into deeper states to help you meet your own angels and spirit guides. We will discuss interdimensional light beings, light languages and ways to work with your angels every day.

Terra will channel the Energies of ONE for the group and bring through personal messages for everyone present. For more information about Terra, visit her website at

[www.angelchannel.com](http://www.angelchannel.com). Fee for the full day workshop: \$88.00
